### Explanation of Class Curriculum

**Creative Movement (Level 1)** — Students will be exposed to Ballet Basics and different types of movement accompanied by music. As well as dancing, students are engaged in 'sing-alongs' and usage of basic instruments. This is a great introductory class for youngsters to get accustomed to a class room setting, participating in group activities, sharing with other students, and following instructions.

**Ballet/Jazz/Lyrical/Contemporary (Level 2/3 thru Level 6)** — Students will be exposed to different forms of dance during this session. Ballet is the foundation of all dance and it is extremely important to be well grounded in ballet to excel in other forms. Younger students will start with ballet/jazz, then lyrical will be added. The top level will add Contemporary.

**Tap (Level 2/3 thru Level 6)** - Students will be exposed to a curriculum of Tap dancing. Tap shoes are required so that dancers can execute the necessary rhythm and sounds of tap dancing.

**Clogging** — Students will be exposed to a curriculum of Clogging which ranges from classic folk clogging, which is prevalent in our community, to a more modern style encompassing all kinds of music.

**Hip Hop** — This is available as 'Hip Hop 2' (beginner/intermediate class) and 'Hip Hop 3' (intermediate/advanced class) to engage students in an increasingly popular form of jazz; Hip Hop. Widely viewed on TV programs, movies, and music videos, Hip Hop is sometimes known as street-dancing. We incorporate music of Hip Hop, Rap, and Pop genres.

**Competition:** We offer original choreography and intensive training for students that want to go to dance competitions.

**North Arkansas Dance Theatre:** Our performing troupe that performs at all kinds of functions and events free of charge. Their NADT Costumes, jackets,
