All students have worked very hard this year and we are now preparing diligently for our Spring Recital. Please keep the following points in mind to help the next few months run smoothly. Thank you for your cooperation, it makes our rehearsals and performances so much easier!

***Extra Rehearsals** - There is no extra fee for additional rehearsal times. These are needed to have a successful performance and are absorbed by your monthly tuition/recital fee.

***Attendance** - I know that this is a very busy time of year, so I have tried to keep the extra rehearsals down to a minimum. It is very important that all regular classes and extra rehearsals are attended. I have sent this schedule out early so if there are any major conflicts that effect several students (graduations, etc) we can possibly reschedule that group. We recommend that you keep this schedule handy so that you don't forget any dates, we can give you additional copies, and it is posted to our website. Please try to find the information before calling us to ask what time your group practices. We have 3 schools and 5 performances so it is impossible for us to have all of those schedules memorized. We reserve the right to remove a dancer from certain roles if they have excessive absences. It isn't fair for them to participate if they haven't been there to practice. It's very hard for us to rehearse with missing people, but if I am notified ahead of time, we can make accommodations.

***Dress Code** – Our Dress Code is still in place for rehearsals on stage. Students must be in their class uniform (leotard, tights, shoes, skirt is optional) with their hair in ponytail or clipped back (for short hair). No 'street clothes', shorts, flip flops, bare feet, etc will be allowed. **Dress Rehearsal** means that dancers wear their COSTUME with HAIR in a bun or French braid and make-up. **Stage Makeup** consists of eyeliner, blush, and red lipstick, additional make up is optional. This is required for a performance so that a child's face is still visible under the harsh stage lighting. We have a few practices with makeup in advance so that parent gets practice applying it and the child has practice wearing it. (It can feel very strange and distracting to a child to wear eyeliner!) Please take good care of your costume so that it will last through the recital season. Any accessories with sequins, tassels, feathers, etc may need special attention, such as a ziplock/garment bag, to keep them in good shape. Write your child's first and last name in every article of clothing in case it is lost so that we can return it to them, this includes shoes.

***Rules for the Stage** – All students need to stay seated in the auditorium with a parent until their group is called up to the stage. Teachers cannot be responsible for them until it is their turn on stage during their allotted time. No food, drinks, or chewing gum are allowed in the auditorium, only in the lobby. We MUST respect Ozarka's facility so that we can continue to use it in the future.
