Tickets & Working Backstage: Each performer will be given 3 tickets to be used as you wish. Parents do NOT get in free, but can use these tickets as you so choose. For example, 1 parent can use a ticket each performance and get in free, but the rest of the family must purchase a ticket. If you want to use all three tickets in one night, then tickets for subsequent performances must be bought. Performers get in free. Ticket sales is how we keep the fee so low for you, and we do have lots of expenses in putting on a show of this caliber and size.

Mothers are required to work at least 1 performance backstage to help young children with costumes and getting to their proper places on stage. You will be given your assignments at a later date and all will be required to attend staging rehearsal on Saturday night, Wednesday and Dress Rehearsal on Thursday prior to the performance so that you will know what has to be done. It's not complicated and a lot of fun, but we need you at rehearsals so you know what is expected. When working backstage, you won't need a ticket, but will be given a backstage pass for that performance only.

If you have any questions or conflicts please let me know now. I'm depending on everyone being in their places at each rehearsal, etc
