Explanation of our Curriculum

Creative Movement (Level 1) — Students will be exposed to Ballet basics and different types of movement accompanied by music. As well as dancing, students are engaged in ‘sing-alongs’ and usage of basic instruments. This is a great introductory class for youngsters to get accustomed to a class-room setting, participating in group activities, sharing with other students, and following instructions. This class is for students 3 to 5 years of age.

Ballet /Jazz/ Lyrical (Level 2 - Level 5) — Students will be exposed to several different forms of dance during this session. They will be taught Ballet technique, positions and steps that will aid them in all forms of dance. Jazz will increase their expression of movement, coordination, and musicality. Lyrical brings fluidity of movement and storytelling through dance.

Tap (Level 2-5)-- Tap will enhance rhythm, timing and quick coordination like no other dance form.

Hip Hop — Hip Hop engages students in an increasingly popular form of jazz; Hip Hop. Widely viewed on TV programs, movies, and music videos, Hip Hop is sometimes known as street-dancing. We incorporate music of Hip Hop, Rap, and Pop genres.

Pointe — This is a ballet technique class for students that are training to wear, or are already dancing in pointe shoes. Pointe class consists of barre work as well as floor work. Strength training and conditioning is required to obtain the necessary muscle functions of dancing en pointe.

Level 5 — These students are exposed to multiple areas of dance including Ballet, Tap, Hip Hop and Jazz. A rotation of this curriculum will result in very well rounded dancers with an appreciation for all forms of dance. Even though this level is extensive, beginners are welcome! We have experience maintaining a balance between beginner and advanced students in this age range.

Competition: We offer original choreography and intensive training for students that want to go to dance competitions.

North Arkansas Dance Theatre: Our performing troupe that performs at all kinds of functions and events and is by invitation only for those pointe dancers 5th grade and up.

Private Lessons: We offer private lessons for one-on-one training for rapid advancement.
